

JOB ANNOUNCEMENT

CASE MANAGEMENT COORDINATOR

Connie Maxwell – Family Care Program

The Family Care Program of Connie Maxwell is looking for a qualified individual to serve as the Case Management Coordinator. This position has four major functions. The first function is to provide family-centered, Christian valued, social work services to the clients on a daily basis as one of the team members. Second is to provide mentoring and Christian valued counseling to client families within the scope of the professional's code of ethics. Third is to function as part of the crisis intervention for the family care program including on-call. Fourth is to function as an agency team member working with others to provide quality services to the clients and community outreach.

Eligibility Requirements:

Required: Masters degree from an accredited college in one of the human services such as Social Work, Psychology, Counseling, or related field with two or more years experience in the area of child welfare, mental health, or social services ministry.

Preferred: Licensed as MSW or LIC

Interested candidates should submit an updated resume and your qualifications to Brian Patterson, Director of CQI at brianpatterson@conniemaxwell.com.
